Forecast For West Midlands
Issued by Met Office Exeter
at 1600 on Tuesday 13 Apr 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Largely dry, with sunny spells by day and frosts overnight.

This Evening and Tonight:
Any showers will soon ease during the evening. Overnight, it will be largely dry with clear spells at times, especially further south, allowing for a few fog and frost patches to form. Minimum temperature -1 deg C (30 deg F).

Wednesday:
Largely dry but rather cloudy on Wednesday with a few light showers possible. However, it will feel pleasant under any sunny spells. Another cold night with frost for many. Maximum temperature 12 deg C (54 deg F).

Outlook for Thursday to Saturday:
Remaining largely dry throughout with sunny mornings and cloudier afternoons. Gradually becoming milder, though still cold overnight with frost and fog patches.
